

TQSA - Temporary Quarters Subsistence Allowance Worksheet (DSSR 120)

Employees should refer to their agency-specific regulations in addition to DSSR section 120 to compute the TQSA which should be claimed on Standard Form (SF) 1190 ("Foreign Allowances Application, Grant and Report", Rev. 1/98). This worksheet includes information necessary to process the claim for TQSA and is reproducible locally.

1. Employee Name (Last, First, Middle initial)	2. Agency
3. Current Post/Country of Assignment/Locality Code	4. Date of Arrival
5. Next post of assignment if TQSA precedes final departure for current post	
6. TQSA Commencement Date	7. TQSA Termination Date

To calculate amounts, use per diem rate for foreign post of assignment found in DSSR Section 925 ("Per Diem Supplement") in effect during the month of the claim. Per diem rates may change monthly.

8. Use the following table to calculate maximum daily rate allowed for days 1 through 30 upon first arrival at post. This table should also be used for days 1 through 30 upon final departure from post. If excessive lodging costs pertain, refer to DSSR Sections 123.36 and 124.34 for possible continued use of this table. If no-cost quarters are occupied, maximum daily family rates shall not exceed 50% of maximums. Agencies may have further restrictive policies if no-cost quarters include cooking and laundry facilities (see DSSR 122.3).
